

Programs in Healthcare now offered!

We're looking to help fill the need for qualified healthcare professionals in Omaha, and to do this, we're expanding our program offerings so students can choose the career that best fits their interests.

In fact, we're even changing our name to show our new goal!

Now students can choose from three different career fields in the fast-growing healthcare industry...

Medical Assisting

For those who want to work directly with patients, a career in medical assisting will have you performing clinical duties in a healthcare facility and helping patients feel better.

Medical Billing and Insurance Coding

If you'd like to be a part of the healthcare industry but would rather work in an administrative position, this career might be the perfect fit.

Massage Therapy

Become a Certified Massage Therapist from one of the most highly-regarded massage programs in the United States!
